

**A&MDID** *The International Air Conference of Israel Defense and the Fisher Institute for Air and Space Strategic Studies*  
4.5.2017 // TEL AVIV

— SAVE THE DATE —

**THE 2<sup>ND</sup> INTERNATIONAL AIR & MISSILE  
DEFENSE CONFERENCE**  
**FROM THE SIX-DAY WAR TO THE FIFTH-GENERATION ERA**

The conference will emphasize the quarter-century of the Six-Day War and the incredible air operation leading to it, 'Operation Focus'

**Main Topics:** Relevant lessons for aerial systems in our current reality - their aspects and significance: perspective, organizational, technological, cooperative and more

**Speakers:** High-level officers in the Israeli and American air forces, senior industry leaders, and academics
